SIR

Subject - Housing of the High School at Channarayapatna in the Town Hall

With reference to your letter No L 1657 dated 15th August 1944, forwarding the letter, in original, dated 28th July 1944 received from the Deputy Commissioner, Hassan, requesting approval of Government to the resolution of the Municipal Council, Channarayapatna, to place the local Town Hall at the disposal of the Management of the local High School and enquiring whether permission was obtained from this Department for the starting of the said High School, I have the honour to state that the Deputy Director of Public Instruction, Mysore Division reports in his letter dated 29th September 1944 that no application for permission to start the High School was received in his office, but an application for the grant of recognition to the said school was received on 5th September 1944, which was returned by him for resubmission after furnishing information as to whether permission, if any, was obtained for starting the school and that the application has since been resubmitted to his office with the report that the authorities were not aware of the requirement that permission had to be obtained before starting the school

The Deputy Director recommends that formal permission may now be granted to start the school with effect from the current year and states that the question of recognition will be taken up after the receipt of orders in the above matter and after his inspection of the school

Formal permission to start the school has now been granted
